

## THAD J. GILES

## PROMINENT SOUTH CHRISTIAN FARMER PASSES AWAY AFTER MONTH'S ILLNESS.

Thad J. Giles, a prominent South Christian farmer, died yesterday morning at 10 o'clock at his home near Howell. Mr. Giles had been ill about four weeks. He was about 65 years old and a son of the late James Giles. His wife and three children, two sons and one daughter, survive. His children are George, Duell and Mary Belle Giles. The deceased was a member of the Methodist church and a man held in the highest esteem by everyone who knew him. Services will be held at his late residence at 10 o'clock this morning by Rev. Hickerson and the interment will take place in the family ground.

## RESOLUTIONS

## Governor Chamberlain's Residence By Governor Allen Females.

A letter from a female who changes residence within the same registration district must immediately request such change to the registration officer of the district, who will note the change on her registration card; and if such female desires to remove from one registration district to another, she must obtain permission from the registration officer of the district in which she resides, who, if the permission is given, will enter an endorsement to that effect in her registration card. If the application for permission to change residence is denied, there may be an appeal under certain circumstances to the United States Marshal.

In a place having a population of 5,000, as near by the Federal census as 1910, the registration officer is required to file one of his sub-ordinations designated by him; outside such cities the registration officers are the various postmasters.

A change of residence in violation of the regulations subjects the violator, among other penalties, to arrest and detention for the period of the war.

These regulations are the same as those governing change of residence of persons when under, of which notices have been given.

## THAT WHISKEY FIRE

## AT OWENSBORO

We are told that it entailed a loss to the government of \$6,750,000.00 in taxes.

Suppose we put it this way—that instead of sustaining a loss, the government will simply have to get that revenue from somewhere else, say from business or excess profits. It is in reality no loss at all to the government, while on the other hand, if it had not been for this whiskey, it would eventually come largely from those who could least afford it, the consumers of the accursed stuff, and who would get worse than nothing for their money.

How long will people continue to be deceived by the fallacy that revenue from whiskey is necessary for the maintenance of the government, either national, state or city?

## PRO HIB.

## SERVANT SHORTAGE.

The state labor famine that is confronting industry and commerce is confronting Louisville housewives, who are planning an organization to help solve the very difficult servant question. Mrs. Jennie C. Benedict heads the local movement. Many boarding houses in the city have been forced to close on account of the inability to get cooks and house servants, it is said. It is said the housewives will make every effort to stop the evil of women hiring away each other's servants.

## NATIVE OF THIS COUNTY.

One of the native of this county, died Sunday at her home in Paducah, after an illness of complications. She was born in Paducah, in 1850, and the following year moved to Louisville, where she had lived for many years.

John Robinson's Carriage will be in Louisville Saturday next.

## RED CROSS NEWS GRENADES.

Over 700 canteen stations have been established by the American Red Cross on the railway lines of this country.

Hot weather in Venice, too—and 290 sick and delicate babies receive specially prepared milk at the dispensary operated by the American Red Cross.

To keep the boys happy, if ill away from home, the American Red Cross has sixteen convalescent houses in operation at base and army hospitals in this country.

Just to keep the boys warm, the American Red Cross so far has distributed in round numbers 2,000,000 sweaters, 750,000 mufflers, 1,000,000 wristlets, 500,000 hemlets and 1,500,000 pairs of socks.

No less than 300,000 soldiers' and sailors' families have been the recipients of "Home Service" of the American Red Cross, at the request of men in camp worried about family problems.

To help with the re-education of mutilated soldiers at Pesia, Italy, the American Red Cross will supply sewing machines, typewriters and tools for cabinet-making and shoe-making for the territorial hospital of the Italian Red Cross.

Where the rice grows, in the district around Milan, Italy, sixteen asili are being established by the American Red Cross to care for 650 young children whose mothers, who for this care, would be unable to help in the work of the harvest.

The American Red Cross delegate from the Somme received a letter from M. Dupin, Sous-Prefet at Ham: "I beg to acknowledge receipt of the ten pumps which you kindly had shipped to me for the cleansing of the wells which have been contaminated by the enemy."—Anything!!!

Conte Thon di Revel, Commander-in-Chief of the Italian fleet, and Admiral Paolo, Commander of Venice, expressed their appreciation of the work being done by the American Red Cross. An altogether fine spirit of brotherhood and understanding of the work the American Red Cross is attempting to do in Italy was shown by these high naval officials.

A seaside hospital with ordinary and catagous wards and special facilities for those injured or made maimed by the war, a nursery-hospital for eighty babies, and a home for orphans from Verdun and Siberia and children's farm schools for colonies near Cannes, in Touraine, Marseilles and Lyons, all institutions operated by a French organization, are receiving financial aid from the American Red Cross.

## TO RED CROSS KNITTERS.

Don't cast on too tight.

Top of sock must stretch to 6 1/2 inches.

Don't knit cuff more than 6 inches.

Don't re-inforce heel.

Don't let length of sock exceed 14 inches.

Don't make foot less than 10 1/2 inches.

Don't fail to follow Red Cross toe directions.

Only regulation toes will be accepted.

Don't have any knots anywhere.

Always splice your yarn in joining.

Don't fail to string yarn.

Don't use smaller needles than Red Cross needles.

Please remember that improperly made socks will work a hardship on the Knitting Committee, for they must be ripped out and reknit.

Don't think that the soldiers will be glad to get a sock "any way," for socks made other than by Red Cross directions never get by the inspectors at Headquarters, and the delay caused is absolutely unnecessary.

## FRENCH WOMEN GIVE YANKEES FLOWERS

These American boys are off for the front in a motorized truck to take their place in driving the Hun back. The French women are giving flowers to the boys as a token of their appreciation for the help that they are rendering France.

## WOMAN WORKER INSPECTING GRENADES

Woman worker inspecting Mills hand grenades in an English factory in which before the war cotton-spinning machinery was made.

## THE FAIR IS OFF WITH A BIG CROWD

(Continued From First Page.)

did not arrive and all live stock awards were postponed.

The carnival on the grounds has the biggest array of shows ever crowded into the grounds. Practically all vacant space is taken up by the tents.

## Racing Main Feature.

Four good races were staged yesterday and attracted the interest of practically everyone present. The track was a little heavy at first on account of the recent rains but the sun came out and dried the earth until the oval was in first-class condition at the close of the program.

Two running races were put on with 4 horses starting in each. Both the five-eighths and three-quarter dashes were won by horses belonging to Mrs. Hubbard, of Louisville. Mrs. Hubbard started seven horses in the racing at the State Fair last year and won seven prizes. She was on the ground yesterday directing the work of her horses.

The first race of the afternoon was the 2:14 trot, one-mile heat, best 3

in 5. Only five horses started in this and finished as follows: Miss Woodbine, First Money. Sir Tattian, Second Money. Hyper, Third Money. West U. Belle, Fourth Money. Dr. Buckley, Fifth Money. Time 2:19 1/4.

The sensation of the racing program started in the 3rd heat of the Free-For-All Pace when Martin Russell, driving H. M., claimed that Gus Thompson, driving Cedar Lake Girl, fouled him on the last round and prevented him finishing first instead of second. This necessitated running extra heats and the race did not end till 6:45 after six heats had been run. Eight horses started in this race as follows:

H. M. 1st. Money. Cedar Lake Girl, 2nd Money. McEmery, 3rd Money. The Druggist, 4th Money. Time 2:15 1/4.

Four others were not in the money and one or two were distanced. The racing program for this afternoon will consist of a 2:19 trot, 2:25 pace, a 1/2-mile dash and a 1/4-mile dash. Many fine horses are entered for all these races and much interest is already being taken in this feature of the fair.

## TO-DAY'S ENTRIES FOR THE RACES

## CLASS 2:19 TROT.

## PROSTRATED BY PARALYSIS.

Mrs. Lucy Cooper, the venerable mother of Mr. R. E. Cooper, suffered a stroke of paralysis Monday night at the home of her son. She started to arise from a chair, but fell helplessly to the floor, striking her head

and making a painful bruise. Her condition last night was encouraging.

A large British airplane carrying its crew and nine passengers, has made the trip from France to England. It is announced here.

## SCHOOL NOTES

By Superintendent Waller.

## White Schools Open Sept. 2.

The white public schools of the city will open Monday, Sept. 2nd, at 8:45 a. m. All children who have their promotion cards should call at the store of C. B. Clark & Co., and purchase their books as early as possible in order to avoid the rush. The list of books necessary for each grade can be secured at the store.

Transfers granted last year to attend some school other than the one in the district are no longer valid, and all children are requested to report to the school of the district in which they live.

The white teachers of the public schools will meet at the Public Library next Saturday at 9:30 a. m. for a conference.

The members of the board of education are:

W. A. Long, Chairman.  
H. H. Abernathy, Secy-Treas.  
Dr. T. W. Perkins.  
J. H. Cate.  
L. B. Cornette.  
J. T. Thomas.  
H. W. Linton.

The members of the faculty are: Mr. J. C. Waller, Superintendent.

## High School.

Mr. G. C. Koffman, principal and mathematics.  
Mr. Pete Edwards, Commercial department.

Miss Julia Arnold, Latin and mathematics.

Mrs. V. E. Watson, Algebra.

Miss Martha Soyars, History.

Miss Martha Binkley, History.

Miss Margaret Smith, Domestic Science.

Mrs. Ellen Macrea, Latin and French.

Mrs. Frances Lander, Study Hall.

Mr. W. T. Little, Science.

Three teachers have not yet been elected for the following work: Manual Training, Assistant to Commercial Department, First and Second Year English Work.

Virginia Street School.
